## **Family Jam: New for Saturdays at ImagineIF Libraries**

*Kalispell, MT* – ImagineIF Libraries invite children and their families to a new storytime program called Family Jam, offered every Saturday at 11 a.m. beginning February 1 at ImagineIF Kalispell. Family Jam combines fun stories, songs, rhymes, movement and music and is designed for birth to age 6 with older siblings invited as well.

Family Jam joins an exciting cadre of programs offered for children at ImagineIF, all designed to incorporate activities that get kids ready to read. Research shows that kids need to talk, read, sing, play and write to become good readers. ImagineIF Libraries presents programs and spaces specifically designed to fill this need and encourage children to explore.
