## **New Exhibit at ImagineIF Kalispell Spotlights Woods Bay Artist**

*Kalispell, MT* – The new art exhibit on display this month at ImagineIF Kalispell features paintings by Lars Pointer of Woods Bay.

Pointer describes his work as an attempt at capturing the spirit of his subject, and says that the work often begins to capture him instead. He concludes, "Then, in the end, we reach a common ground, and the piece is finished."

Coming from an artistic family, with an artist mother and an architect father, Pointer says, "I always had my hand in something creative.... The canvas has become, and becomes, more and more of an adventure."

Pointer's paintings will be up through September. Other recent exhibits have included photographs, student artwork, mixed media and more. Local artists of all ages and experience levels are invited to apply for future exhibits.

ImagineIF Libraries encourage exploration, fresh ideas and self-discovery. ImagineIF offers activities and services for all ages. For more information, visit [www.imagineiflibraries.org](http://www.imagineiflibraries.org).
