Community Looms Invite Participation at ImagineIF Libraries

Kalispell, MT – Today through December 5, ImagineIF Libraries are offering large-scale community looms as a collaborative project. The program, called Weave It All Together, is a way for community members to become a part of something beautiful by creating a shared piece of art.

Three 7-foot-high looms built by a local woodworker are temporarily installed at ImagineIF Kalispell and ImagineIF Columbia Falls, with a smaller loom at ImagineIF Bigfork. Yarn, fabric and other fiber supplies are provided for anyone to add a row or two. The finished pieces will be displayed in the library.

Weave It All Together is part of the ongoing experiential, hands-on programs offered by ImagineIF Libraries. Other programs this year have featured homebrewing, 3D art, survival and DIY home cleaning products. A brand-new array of topics will soon be announced for 2015.

ImagineIF Libraries encourage exploration, fresh ideas and self-discovery. ImagineIF offers activities and services for all ages. For more information, visit www.imagineiflibraries.org.
