## **Want to Be An Architect? Try it Out at ImagineIF**

*Kalispell, MT* – ImagineIF Libraries is hosting an event for kids who want to find out what an architect does and see firsthand how exciting it can be to create something using a few tools and your imagination.

Children in grades K-6 are invited to ImagineIF Kalispell for an afternoon of architecture with David Koel from CTA Architects Engineers. Using 3-D modeling software, participants will help David build a virtual city projected onto a big screen. Participants also will be invited to take a turn and add to the virtual landscape.

### **So You Want To Be An Architect?**

ImagineIF Kalispell  
Saturday, March 28, 2-4 p.m.

This event is part of Make Yourself at Home: Mini, a themed collection of experiential, hands-on programs offered January-March by ImagineIF Libraries.

ImagineIF Libraries encourage exploration, fresh ideas and self-discovery. ImagineIF offers activities and services for all ages. For more information, visit [www.imagineiflibraries.org](http://www.imagineiflibraries.org).
