Updates Coming to ImagineIF Columbia Falls

Kalispell, MT – On Monday, May 18, visitors to ImagineIF Columbia Falls will find a number of updates and changes in the library. The library will be closed on Saturday, May 16, to allow for painting and furniture moving.

The updates are a step toward a more welcoming, versatile and interactive library. These changes include fresh paint throughout the library, an updated children's space with new toys and interactives, new shelving for popular areas such as holds and Grab-n-Go, and a new service desk.

The long-term goal is to provide ImagineIF Columbia Falls with fun, hands-on experiences for children; convenient services and spaces for adults; a separate nook just for teens; and efficient work spaces for staff.

Volunteers are needed to assist with painting on May 16. Anyone interested should contact April Vomfell at 758.2445.
