Stillwater Christian School Art at ImagineIF this Month

Kalispell, MT – Artwork by Stillwater Christian School students is currently on display at ImagineIF Kalispell. The exhibit includes pieces from students in grades K-8, as well as quotes about concepts such as creativity, imagination, observation and risk, which students learn about firsthand in the school's art program.

Art director Barbara Beckwith enjoys working with students of all ages to instill an appreciation of art history, while encouraging young artists to work with a wide range of mediums, including watercolors, acrylics, oil, paint, pencil, and oil and chalk pastels. "I love the excitement in the children's eyes when they've learned to accomplish a difficult task," Beckwith said.

All students at Stillwater Christian, kindergarten through high school, receive art instruction on a regular basis. From the beginning, students are taught the true study of art, including its seven main elements: space, line, color, texture, form, value and shape.

This student show, on display through early June, is part of a rotating art display at ImagineIF Kalispell. Local artists of all ages and experience levels are invited to apply to exhibit. Learn more at www.imagineiflibraries.org/art.

ImagineIF Libraries encourage exploration, fresh ideas and self-discovery. ImagineIF offers activities and services for all ages. For more information, visit www.imagineiflibraries.org.
