Community Input Needed for New Library in Bigfork

Kalispell, MT – Please join ImagineIF Libraries board members and staff on Monday, July 13, at the Community United Methodist Church in Bigfork, 5-6:30 p.m., for a community idea session.

The ImagineIF Libraries' 2014 Facilities Master Plan calls for a 6,200-square-foot library to serve the greater Bigfork area into the year 2034. ImagineIF Bigfork is currently 1,440 square feet. To allow for parking and landscaping, a library of that size would require a minimum of half an acre and would ideally be sited on at least three-quarters of an acre.

When we build a new library in Bigfork, where should it be located? Please join with other community members to share your thoughts and ideas. Send questions or comments to ImagineIF Libraries Director Kim Crowley, kcrowley@imagineiflibraries.org or 758.5826.

ImagineIF Libraries encourage exploration, fresh ideas and self-discovery. ImagineIF offers activities and services for all ages. For more information, visit www.imagineiflibraries.org.
