

FOR IMMEDIATE RELEASE
AUGUST 28, 2015

It's Time! At ImagineIF Libraries

Kalispell, MT – Time flies when you're having fun...at least that's what they say. September through November, explore the concept of time in the library and out and about. The multi-month themes offered by ImagineIF are designed especially for adults, although teens and children often enjoy the activities too.

Harvest Loom

Hops, nasturtiums and all manner of natural materials come together to make a harvest tapestry. Weave together plants and fibers to make something entirely new.

- ImagineIF Bigfork, ImagineIF Columbia Falls, ImagineIF Kalispell: September 1-5

Time Travel

Come in and get some photos with our time travel photo booth. Step out of a TARDIS and capture your journey with a Doctor Who-themed selfie. We'll also be offering photo booth souvenir prints at various times throughout the week; you might just get lucky!

- ImagineIF Kalispell: October 5-17

- ImagineIF Columbia Falls: October 6-17

Calaveras

Customize your own Day of the Dead skull to celebrate the lives of your departed loved ones. Leave it at our shrine or take it with you.

- ImagineIF Kalispell: October 26-31

- ImagineIF Columbia Falls: October 27-31

- ImagineIF Bigfork: November 3

The above programs are open to all ages, but are especially intended for adults and teens. Following are additional Time: Mini programs especially for children.

Moon Madness

Experience hands-on moon activities all week to celebrate the upcoming lunar eclipse and supermoon on September 28. Appropriate for grades K-6.

- ImagineIF Bigfork, ImagineIF Columbia Falls, ImagineIF Kalispell: September 22-26

Time is part of the ongoing experiential, hands-on programs offered by ImagineIF Libraries. Past programs have explored themes such as motion, home, weaving, homebrewing, survival, chickens and DIY home cleaning products.

ImagineIF Libraries encourage exploration, fresh ideas and self-discovery. ImagineIF offers activities and services for all ages. For more information, visit www.imagineiflibraries.org.
