## **Library Board Approves Facilities Master Plan**

*Kalispell, MT* – On June 25, the Board of Trustees for ImagineIF Libraries approved the 2014 Facilities Master Plan. The plan was developed by Himmel & Wilson Library Consultants of Milton, Wisconsin.

The Facilities Master Plan makes clear that the communities of Kalispell, Columbia Falls and Bigfork need new and expanded library facilities to adequately meet the present and future demands for library services. Additional branch locations are not recommended at this time. The existing ImagineIF facilities are well located to serve Flathead County citizens.

In adopting the Facilities Master Plan, the Board of Trustees considers the recommendations part of ImagineIF Libraries' 2015-2017 Strategic Plan.

The Facilities Master Plan is available online at [www.imagineiflibraries.org](http://www.imagineiflibraries.org) under "About." Questions may be referred to Library Director Kim Crowley at 758.5826.
